

Press Release, 9<sup>th</sup> of June 2017

## Systemair acquires leading South African manufacturer of Air Handling Units and Packaged Units

**Systemair AB (NASDAQ OMX Stockholm: SYSR) has acquired the South African company, Viking Air Conditioning, a market leading manufacturer of air handling units and packaged units.**

Viking is located in Spartan in Johannesburg, South Africa. The company produces and sells customized air handling units, with and without integrated cooling, for commercial use, with annual sales in South Africa and in neighbouring countries of approximately SEK 40 million. For more than 25 years Viking has sold market adapted high quality units and is a leading brand in that region. Products are found in all the market leading supermarket chains in the region as well as in a large variety of air conditioning applications. The company has 45 employees in rented premises of 3,000 m<sup>2</sup>.

"We see great opportunities with the company's market position and products. This acquisition complements us very well and gives us new possibilities in the region", says Systemair's President and CEO Roland Kasper.
